Produced by the United States Geological Survey
in cooperation with California
Department of Water Resources

Control by USGS and NOS/NOAA

Compiled from aerial photographs taken 1957. Information shown in purple has been updated from aerial photographs taken 1987 and field checked. Map edited 1992. Conflicts may exist between some updated features and previously mapped contours

North American Datum of 1927 (NAD 27). Projection and 10,000-foot grid ticks: California Coordinate System, zone 2 (Lambert Conformal Conic). 1000-meter Universal Transverse Mercator grid ticks, zone 10, shown in blue
The difference between NAD 27 and North American Datum of 1983 (NAD 83) for 7.5 minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map
