

Sonoma County Preservation Project

Title: Sonoma County Preservation Project

Inclusive dates:

Repository

North Bay Regional and Special Collections
University Library
Jean and Charles Schulz Information Center
Sonoma State University
1801 East Cotati Avenue
Rohnert Park, CA 94928-3609

Abstract

Photographs, slides and student papers from the SSU History department record the history of regional structures. Most of the material dates from the 1970s. While focusing on buildings of Sonoma County, the collection includes some examples from Marin and Mendocino counties as well as miscellaneous structures of the wider San Francisco Bay Area. The student papers also cover larger area social issues and include some biographical sketches of significant local personalities.

Administrative Information

Acquisition Information

The collection was donated to the library at an unknown time, presumably by History Department professor Peter Mellini.

Access Restrictions

No restrictions to viewing, but appointment required: (707) 664-4152 or northbayinfo@sonoma.edu

Copyright

Please contact the North Bay Regional and Special Collections Department, University Library, Sonoma State University, for information on use and reproduction.

Processing

The collection was processed by Regional Department staff. The finding aid was created by Lynn Prime, May, 2009.

Collection Scope and Content Note

The photographs are organized in a total of ten boxes. The student papers are organized in a total of 135 folders in two boxes. The slides are in a total of one box.
